

Writing Activities

When writing, remind your child to...

- Use spaces between words
- Capitalize the first letter of the sentence and any names of people, places, or things
- Make letters sit on the line
- Use punctuation
- Make letters correctly or look like they are supposed to
- Make letters the correct size
- Proofread their work

Strategies to help your child

- Use a finger space or a pencil for spacing
- Highlight the baseline for floating or sinking letters
- Make boxes to show the letter size
- Reinforce the proper way to make a letter

Writing activities

- Keep a journal
- Write a letter to a friend
- Write about a cool experience that can be shared in the fall
- Do workbooks (at student's grade level)
